

Huntsville Hospital Visitation Guidelines

Entering our facilities

- Persons 16 years of age or older may enter with a valid ID. Persons under 16 must enter with an adult.
- You must be free of any of the following symptoms: fever, cough, shortness of breath, loss of taste or smell.
- You must not have been diagnosed with an infectious disease or been exposed to someone with an infectious disease in the last 7 days.
- Check in and out at facility entrances. If visiting a patient with isolation precautions, also check-in with the nurses station before entering the patient room.

To keep you informed

- When a patient is admitted, a point of contact and communication plan will be set with a family member or support person (16 years of age or older). Daily updates will be provided to the point of contact, if requested.
- Virtual visitation is available.
- The patient will provide a password for identification so communication can take place between hospital staff and family members.

General Inpatients	2 persons
ICU Patients	2 persons during visiting hours
Emergency Room	2 designated persons at bedside in Pod A, B, C, D & G; 1 designated person in all other treatment and waiting areas (<i>exception: waiting room overcrowding</i>)
